

# Energy Solutions LED Accelerator Program Product Qualification Statement

I hereby certify that the LED lighting product (Product) listed below meets all applicable general and specific criteria for qualification with the LED Accelerator Program (the Program) as summarized in Attachment A, Product Qualification Summary, and detailed in LEDA Product Qualification Requirements, 2017; Version 1.0 (January, 2017).

I further certify that all information and documentation submitted for qualification of said Product is representative of the specific product model, and that any product sold or otherwise provided for use in LED lighting projects that receive incentives from the Program will meet or exceed the Program criteria.

| Brand | Company | Model Number | Tier Qualification |
|-------|---------|--------------|--------------------|
|       |         |              |                    |
|       |         |              |                    |
|       |         |              |                    |
|       |         |              |                    |
|       |         |              |                    |
|       |         |              |                    |
